Welcome to the Hudson County Economic Development Corporation and our information series for business.

The Major Employer's List is by far the HCEDC's most in-demand report. Sourced from the annual Dunn and Bradstreet Million Dollar Directory report, HCEDC aggregates information on Hudson employers with more than 100 employees (# EE*) in each municipality. We provide you with the employer's contact information, SIC Code, and the number of individuals employed in the municipality.

The list can help you with your business development marketing strategies; an index of Standard Industrial Classification (SIC) codes is provided to help you hone in on industries of interest. For an online list of SIC classifications, go to:

https://www.osha.gov/pls/imis/SIC_manual.html

And if you are seeking employment opportunities, knowing the largest employers is a good start in developing an employment strategy. Here is an additional helpful tool: New Jersey Career Connections. This is a comprehensive online career portal to help you plan, prepare, and succeed in your job search. For more information, go to:

This guide is a part of the HCEDCs information series, including: Major Employer's List, Urban Enterprise Zone Programs, Municipal Contacts, and Hudson Facts.
